Kingfisher Class Newsletter

Term 2
2026

Welcome Back

I hope you all had a lovely break. It has been wonderful to welcome everyone back and see the children ready to continue their learning. We have lots of exciting learning opportunities planned for Term 2, and I'm looking forward to sharing these with the children. Mr Woodcock will be teaching Kingfishers on Fridays this term.
Thank you, as always, for your continued support.
Imogen Plaskitt

Reminders

Water
We ask that your child brings in their water bottle each day .
Snacks
If your child would like a snack at break time, this needs to be fruit or vegetables please.
Reading
Your child will have a reading for pleasure book that can be changed whenever they have finished reading it. We ask that the reading books and diaries are kept in book bags and brought into school daily, as the children have opportunity to read every day. Please record any home reading in their reading diaries. This could also be books that they have read from home.

Upcoming Events

4th November – Isobel Thomas, author virtual visit.
13th November- Children in Need.
11th December – Christmas Party Day.
15th December – KS2 Christmas Performance 6pm.
16th December- Panto.

PE Days

Our PE days this term are Tuesdays and Wednesdays.

English

In writing this term, we'll be using 'The Barnabus Project' and 'The Seed of Doubt'. We will write brochures and leaflets. In reading, we will be reading 'Arthur and the Golden Rope'.

Maths

In maths, we will focusing on addition and subtraction, learning to work with numbers up to 4 digits. In measurement, we will concentrate on measuring area. We will continue to learn our times tables and have tests on Mondays.

PE

In PE we will focus on land based water safety in preparation for swimming lessons in the new year. We will also practise our yoga skills.

Music

In Music, we will be focusing on singing. We will learn to recognise melodic and rhythmic loops and compose our own loops.

Art

In art we will be studying tone, tint and shade. We will learn about the artist Frida Kahlo and create our own still life paintings.

Spanish

In Spanish, we will learn the names of 10 shapes. We will also find out about how Christmas is celebrated in Spain.

RE

In RE, we will find out about Sikh and Humanist birth ceremonies. We will also learn about Sikh commitment ceremonies.

Science

Our Science project focuses on states of matter. We will investigate solids, liquids and gases and investigate their properties.

History

In History, we will be investigating how children's lives have changed. We will look at the jobs children had in the past using a variety of sources.

PSHE

In PSHE, we will be exploring what rights and responsibilities we have.
