Owl Class Newsletter

Term 2
2026

Welcome Back

Welcome to another exciting half term in Owl Class! We have lots to look forward to between now and Christmas, and it is certainly going to be a busy few weeks! We have some fantastic topics to explore, plenty of opportunities to develop our learning and lots of exciting activities planned. We are looking forward to seeing how much progress we can make together before the Christmas holidays!

Reminders

Our reading challenge is continuing, and we would love to see everyone getting involved! Every time your child reads at home, they can earn a raffle ticket to go into our reading prize draw. Please make sure that each read is recorded in their **yellow reading diary**, so that we can keep track of all those fantastic reading efforts. The more we read, the more chances we have to win! We will also be running a second reading prize draw to celebrate our love of reading. As a class, we are going to create a 'Love of Reading' gallery, showcasing photographs of us enjoying our favourite books, we would love everyone to get involved and share a picture of themselves enjoying a good book!

Spellings

We are now practising our spellings daily in class learning spelling rules and patterns, focusing on two new spellings each day.

Upcoming Events

- Tuesday 1st December- Christingle Service
- Friday 11th December- Christmas Lunch
- Tuesday 15th December- KS2 Christmas Play
- Wednesday 16th December- Pantomime

PE Days

Tuesday
and
Wednesday

English

We will be exploring Shakespeare's *The Tempest*, getting to know the characters and events before working towards writing and performing our very own plays!

Maths

We will continue to develop our multiplication and division skills, building confidence with a range of methods and increasingly challenging problems.

PE

We will be exploring mindful movement and developing our understanding of water safety through land based activities.

Music

We will be exploring the sounds of nature, developing our understanding of melodies and chords and experimenting with creating our own music.

Art

We will be getting creative with 3D sculpture and interactive installations, experimenting with materials, space and how art can be experienced.

Spanish

We will be learning how to communicate at the café, developing our vocabulary and practising how to order food and drinks.

RE

We will be considering the question, 'What do people believe about God?' and exploring different beliefs, viewpoints and perspectives.

Science

We will be investigating unbalanced forces, exploring how different forces affect the movement of objects.

History

We will be discovering what the Census can tell us about the past and how it helps us to understand changes in our local areas and communities.

PSHE

We will be learning about citizenship, exploring what it means to be part of a community and the different roles and responsibilities we all have.
