

Frozen Kingdom

Our Cornerstones topic this term is called 'Frozen Kingdom' and centres around the geography of the two poles. As well as the subjects highlighted here, we will also be learning French and following the National Curriculum for English and Maths.

RE

We will be asking: Do you have to believe in God to be good? This will give us the opportunity to explore other religions as well as Christianity.

History

For the history part of our topic, we will be looking at the history of polar exploration. Some of this will be through our topic work in the afternoon, some will be through our English work.

Geography

Geography will be the main focus of our topic. We will be finding out where the North and South Pole are and exploring what conditions are like there. We will also be considering the impact climate change is having on them.

PE

This term we will be either swimming or dance and indoor athletics. We have lots of inter school competitions coming up too

Computing

After looking at Internet Safety to begin with, we will be developing our skills using Word, PowerPoint and Publisher to present some of our findings.

Music

We will be creating a soundtrack that captures the beauty of the Northern Lights.

ART / DT

We will be looking at the Northern Lights for inspiration for some of our art work this term.

Reading

Our class text for English this term is 'Shackleton's Journey' by William Gill. Shackleton's Journey is a unique visual re-telling Ernest Shackleton's landmark expedition crossing the Antarctic.
