Green Group Club

Dear parents and carers

Green group afterschool club on a Monday has been really successful and Mrs Scott will be continuing the club after half term for those already signed up to enable them to complete projects and plans they have already started.

We are aware some children wanted to come to the club last term but due to there only being 8 spaces, were not able. Names have been collected and a waiting list started so that children that expressed an interest previously will be offered a place first when Mrs Scott opens the club up to new members after Easter.

Should you have any queries regarding this matter, please let the office know.

Best Regards

Mrs V Cass
Head of School
