

Hola Mexico!

Geography

We will be using maps to explore the human and physical geography of Mexico.

Art

In art we will be exploring sculptures as well as trying our hand at some Maya art.

History

Our history will focus on the Mayan civilization.

DT

We will be testing food of Mexico and making and evaluating instruments

RE

In RE this term we will be looking at our identity and where we get it from as well as exploring belonging

Computing

Our computing will be online research and digital presentations

Music

We will be listening and commenting on Mexican music and learning some musical notation

Science

The focus for our science will be 'Light and Shadows'. Please see the knowledge organiser for more information

English

We will be using clips of the 'Day of the Dead' festival in English as well as extracts from the book 'Holes' by Louis Sachar
