Executive Headteacher: Ms B Dhami BSc (Hons)

16th March 2020

Dear Parents/Carers

Urgent update re: Coronavirus

Following this afternoon's press conference from the Government, the guidance regarding isolation has now changed. The Spire Federation Senior Leadership have met tonight and would like to make it clear that any child with symptoms (new, continuous cough or fever) and their immediate family should remain at home for a period of 14 days from the onset of the first symptoms.

Over the past few days, some children at our schools have been sent home with a new, continuous cough or fever. These children and their families should not enter the school site for 14 days.

We realise that this change in guidance may cause distress and inconvenience, however, we are working hard to keep our pupils, staff and communities safe.

As the situation is changing at a rapid rate, we will ensure that we communicate any further changes as soon as possible.

Best Regards

Becky Dhami
Executive Head Teacher
