Dear Parents & Carers

30 April 2020

School Closure Update

We hope that you are beginning to settle into new routines and are managing to access some learning daily. We also hope that you can get outside and enjoy some fresh air. The staff team have been sharing walking routes and photographs — we live in such a lovely part of the world. If you live in Louth, have you seen the llamas yet? I was sent on a challenge to find them and with a few tips I managed to spot them.

Please keep checking our website for learning updates. Our newest addition is a link to our Letter-join handwriting scheme on the main Home Learning page. Details for logging in to our school accounts are all on the letter attached—Spire Letter-join Home Access. When you log in, you will see your child's class name—there you will find lots of activities for practising letter formation and handwriting. The project knowledge organisers have also been uploaded and if your child(ren) can learn all the fascinating facts, that would be amazing. We love receiving photographs from you to share — please keep sending them in. Teachers have also enjoyed getting in contact with you by the new weekly calls. We hope you find these calls useful.

We are settling into our new ways of working and even though we are closed to all but key worker children, we are still very busy. Budget setting, rotas, planning and training are just some of the things we have been up to.

Please remember we are consulting on our Relationships, Sex and Health Education (RSHE) policy. This is available on our web-site. Please email any comments to enquiries@east-wold.lincs.sch.uk or enquiries@north-cockerington.lincs.sch.uk

We thought we would share a link to a lovely story you may like to share at home <https://www.bbc.co.uk/iplayer/episode/m000hsff/cbeebies-bedtime-stories-750-tom-hardy-under-the-same-sky>

As always, stay safe and well, and if you need to contact us, please email the enquiries email address.

Kind regards

Becky Dhami
Executive Headteacher
