Executive Headteacher: Ms B Dhami BSc (Hons)

12th June 2020

Dear Parents & Carers

Parent Update

We hope that you and your family are keeping safe. Over the last week, it has been another very busy week in school with more key worker pupils attending. Due to this increase in pupils, and to support with their education, we have made some changes to the bubbles. If your child has moved bubbles you will receive a separate letter from Mrs Amey/Mrs Cass.

We are still developing systems for home contacts as we are having to respond to a number of factors in planning provision. If you haven't had contact with us this week, please bear with us as we are working very hard to put everything in place.

Following feedback from parents, we will be further developing our website. Currently each class has a home learning page and this will be developed to give a weekly overview of activities which may provide you with more structure if desired. If things are working well for you, please continue with your current arrangements. Alongside this, and in response to feedback, we will also be developing a mental health & well-being page for our pupils. Please keep checking out the website for developments over the next couple of weeks.

Our teachers are busy preparing pupil annual reports. This year these will be issued via email. To support staff well-being and workload, we will be issuing these on a staggered basis by year groups. Watch out for reports coming out over the next few weeks.

Even though we have less children in school, with the new operations, our school staff are working at capacity. We have 25% less staff available to work with children in our schools, and this is reduced by over 35% when we account for reductions due to childcare arrangements. I wanted to highlight this so you are aware of the operational challenges we are currently facing.

Finally, I would like to highlight that if you need to contact the school, please use our enquiries email address as this is regularly checked.

Kind regards

Becky Dhami
Executive Headteacher
