Dear Parents & Carers

Parent Update

We hope that you and your family are keeping safe and enjoying this incredibly warm weather. It has been another non-stop week in school. Our children are all absolutely fantastic; in school, they have settled so well into the bubbles and we have seen some fantastic home learning.

We are still awaiting guidance on what September will look like and we anticipate this will be received next week. As always, as soon as we have made any plans, we will communicate this with you.

I can, however, inform you that **school will be closed to all pupils (including Key Workers and Vulnerable children) for the summer. We will break up on Friday 17th July.** As we have been open since February half term, our staff are in desperate need of a break. Our staff will be using the 20th & 21st July for the Inset we missed and to rearrange the site (in preparation for building works and for September). Throughout this pandemic our staff team have been amazing and the summer holiday will give them some much needed time to rest and recover.

I can inform you that East Wold school site will be having a major refurbishment over the summer holidays including a new boiler, new KS2 toilets (girls and boys), KS2 classroom refurbishments (storage areas, sinks, decoration and carpets) and replacement water bottle filling stations in KS1 and KS2. We are very excited about these works and it will be lovely to welcome the children back in September to the improved site.

We know that the pandemic has resulted in many people experiencing a change in their financial circumstances. **We would like to inform you that if you think that you may be eligible for Free School Meals (FSM) to apply now.** The government has released guidance on the Covid Summer Food Fund where vouchers of £90 per child are available to cover the 6 week holiday period for those in receipt of FSM. If you apply for FSM now, you could receive this voucher, whereas if you apply during the summer holidays you will not receive the voucher. Please click on the link <https://www.lincolnshire.gov.uk/school-pupil-support/apply-free-school-meals> to see if you are eligible.

If you have any queries concerning any of the above, please contact us via the enquires email.

Kind regards

B Dhami
