John Spendluffe Virtual Open Evening

Headteacher, Ms Joyce Shorrock and our JSTC staff invite you to our **2020 Virtual Open Evening** for Year 6 students and their

families. We are delighted and proud to be able to offer places to students of all abilities. Our excellent express stream, together with mixed ability classes, some with Learning Support Assistants on hand, as an additional resource, allow us to cater for everyone. Our highly experienced SEND team are

delighted to support students and parents.

JSTC facilities are excellent with many custom built classrooms that enable high quality teaching covering the traditional academic subjects and a great variety of vocational choices. We implement a 'Food and Phone Zone' which permits students to have their phone at a designated time of day. Phones should be on silent and kept in school bags at all other times. Our astro pitch and school fields are a great place for students to enjoy PE and lunchtime clubs.

Transport

Our school intake covers a very wide area. On our website there are details of bus transport giving an overview of the current pick up areas.

Applying for a School Place

We hope you will feel that JSTC is the place for you. On the LCC website you will find details of how to apply for a school place. The JSTC school number you will require is:- 9254048.

If you have any queries or concerns when applying, please ring the school office on 01507 462443.

Our aim for students during their time at JSTC, is to become confident young adults, with high aspirations to secure the brightest of futures, whether their goal is an apprenticeship or going to college or university.

Extra Curricular

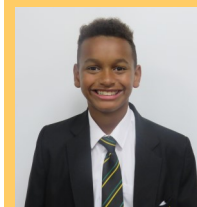

JSTC offers a wide variety of activities, here are a few examples

- * Rock Challenge
- * Duke of Edinburgh Award
- * Year 7 Sudbrooke Camp
- * Disneyland Paris
- * London cultural weekend
- * Lincolnshire Wildlife Park

New Term—New Students

September 2020 brought another cohort of Year 7 students ready and eager to join us at JSTC. Our aim is make the transition from primary to secondary school as smooth as possible for our new students. The Pastoral Teams are always on hand, with a smile and a caring word to help those who may need them.

Sam (new Y7) stated, "This

school is very cool, you should be looking to come here. All of the teachers are also cool/funny."

Libby (new Y7 also) stated, "I love this school; it is exciting. There are lots of great teachers. I have made lots of nice new friends here."

OPEN EVENING – Virtual Tour

We proudly present our school on an interactive link—click on our website - available from Monday 5 October.

*Search the JSTC website, www.jstc.org.uk for the **Open Evening Virtual Tour** on the **Home Page**. Also useful documents like bus timetables can be seen from the **Information Tab**.*

The tour starts with a map and you simply click on all the different areas to meet the staff in Science, Maths, English etc.

We do hope you enjoy this event and think JSTC is the place for you!

With best wishes from all the staff at JSTC.

Ms Joyce Shorrock
