

Halloween Woodland Fun

We will be making
Campfires and
cooking
chocolate oranges

Making
items
using
Bush
Craft and
Whittling skills

Puddle Ducks Halloween Fun

Hopefully
we will not be
needing one of these

We are Holding our annual Halloween
Bushcraft Week in the woodland.

Tuesday 27th Wednesday 28th and Thursday 29th October 2020

We will be down there from 9-3pm everyone will come home dirty, we have a woodland house in the woods so we can escape out of the rain, if anyone should want to.

The children will be learning and understanding the importance of how to use tools correctly and for a purpose (carving pumpkins). We will also cover starting a fire for children who have not, also to see if children who have already learnt this have remembered how and why. We feel this is really important part of embedding our woodland life. We will be cooking down there too. Cost is £56 for the 3 days or £20 per day. This ½ Term will be themed around Halloween.
