Executive Headteacher: Ms B Dhami BSc (Hons)

Parent Update 14th December 2020

Dear Parents and Carers,

Last week the government announced that headteachers would need to be on call for Track and Trace for 6 days after the final teaching day, therefore I wanted to let you know how I plan to manage this.

Our last day of term is Thursday 17th December 2020. If your child has a positive COVID test result up to, and including, Wednesday 23rd December you must let me know immediately by email-ing: becky.dhami@north-cockerington.lincs.sch.uk or becky.dhami@east-wold.lincs.sch.uk so that I can assist in identifying contacts and advise of the need to isolate. This isolation notification will come from me via email. I will be checking the emails at least once a day during this time. No other school communication emails/platforms will be active during this time.

There will be no pupil contact tracing beyond 23rd December and school do not need to be informed of any pupil absence until the first day of the new term.

If you do need to contact me regarding a positive test result, please ensure you include the following information as this will be required when I report to the Health Protection Team.

- Full name of the positive case
- The Date of Birth of the positive case
- Date any symptoms started
- Date of the Covid test
- Date of the positive result
- The last date they were in school

Christmas isolation is the last thing that we want, therefore to help us minimise any risk please continue to support us by wearing a face covering when dropping off and collecting your children, observing social distancing and supporting good respiratory and hand hygiene as we are doing in school.

If you have any queries, please do not hesitate to contact me.

Kind regards

B Dhami
