

Welcome to Owl Class!

Welcome back Owls!

Mrs Cass, Mrs Scott and Mrs Elliott are looking forward to seeing you again!

You have been Superheroes and have stayed at home. You stayed in your house most of the time and did all your learning at home. You kept to the social distancing rules, you sneezed into your elbows, you washed your hands with soap for 20 seconds, you used tissues to wipe your noses and put them in the bin. You even stopped seeing your friends and family who didn't live with you for a while.

You did an awesome job and so now we can start going back to school to learn and see our friends and teachers again. We are going to be in a bubble. That doesn't mean you'll be in an actual bubble! It means you'll be in a group of people who will spend time together at school. Your bubble is Owl and Kingfisher Classes.

School may feel a little different when we go back, this is because our teachers have made some changes to keep us all safe while we learn.

You will wear school uniform except on PE days. Our PE days are Wednesday and Friday so on those days you will wear your PE kit to school.

When you arrive at school, you will come through a different door. That is ok and there are blue lines on the ground to show you where to stand, if you have to wait.

You will hang your coat up and then wash your hands for 20 seconds. Being clean is extra important at the moment, so we can keep everyone healthy.

Our classrooms may look a little different as some of the furniture and toys will have been taken out. You will sit at a table facing the front of the classroom and will be given a pencil case with your own stationery to use. This is so it's easier to keep everything clean and stop the virus.

Some parts of the school will be closed. This is ok. Your teacher will explain this and signs will help you to remember.

You will eat your lunch in the classroom, at your desk. This is ok because you will be sitting with your friends.

You might feel worried, excited, happy, sad, scared, angry, shocked or something else. But do you know what? This is ok! All feelings are ok. If you have big feelings there will always be an adult at school to talk to. They will help you and make you feel better and safe. The adults at school are really good at that.

Going back to school may feel a bit strange to start with, but it will be ok because your teachers will be there to keep you safe. We will all be getting used to it together and it will be fun to see your friends again. The school staff can't wait to see you. We've missed you!
