Executive Headteacher: Ms B Dhami BSc (Hons)

16th July 2020

Dear Parents & Carers

September School Operations

I hope that you are keeping well. I am pleased to be able to provide more detail about September operations. Our intention remains that we will be reopening for all children from Thursday 3rd September. The attached information sheets provide details of our plans.

Whilst we have been planning for the full reopening of school, it is important to point out that the success of the lockdown period and partial opening of our school has been as a result of the commitment and dedication of our whole staff team and our cleaning team along with the parents and families of children who have been in attendance, and the children who have been in school. Everyone has worked with us by following the measures we have put in place to keep our school community safe. Thank you to everyone for all you have done – without your cooperation and support, the partial reopening would not have run so smoothly.

A big thank you also to parents who have supported their children with home learning throughout this time. We recognise that this has not been easy but we can't thank you enough for your commitment to education and perseverance with your children's learning.

I attach a copy of our Risk Assessment for September. This document is key to our reopening plans and will be constantly reviewed and evaluated. There will inevitably be changes to the document as further government announcements take place and as we evaluate operations. You will see there are some additional actions that need to be undertaken for certain aspects of the risk assessment. These will be developed further in September. We haven't been able to put everything in place from the outset and we believe that the first priority is to ensure we have all our children and staff returning to school, feeling happy and safe.

I am pleased to say that over the summer we are now planning on refurbishment works at both North Cockerington and East Wold. I will aim to get some photographs out to you on 2nd September so that the children can get a feel of school before return.

Having addressed the urgent operational matters to get the schools fully open, we will now be working on the recovery curriculum. We will share more on this soon.

SCHOOL
MEMBER

Once again, I would like to thank you for your support over the last few months and your positive feedback and comments. As we move into another new way of working, thank you in advance for your continued support, cooperation and in preparing your children to return to school.

We look forward to seeing everyone back in school on **3rd September** and hope that you all have a great summer.

Kind regards

A handwritten signature in cursive script, appearing to read 'BDhami'.
