We are Holding our Easter
Bushcraft Weeks in the woodland.

Tuesday 6th Wednesday 7th and Thursday 8th April 2021

Tuesday 13th Wednesday 14th Thursday 15th April 2021

We will be down there from 9-3pm everyone will come home dirty, we have a woodland house in the woods so we can escape out of the rain, if anyone should want to, and we will make shelters too.

The children will be learning and understanding the importance of how to use tools correctly and for a purpose a bird box to take home or a woodland animal. We will also cover starting a fire for children who have not, also to see if children who have already learnt this have remembered how and why. We feel this is really important part of embedding our woodland life. We will be cooking down there too. Cost is £58 for the 3 days or £20 per day.
