Executive Headteacher: Ms B Dhami BSc (Hons)

EMAIL ISSUED Sunday 16/1/22

Good evening

I just wanted to let you know I have spoken to DfE Coronavirus support and Public Health today to discuss the outbreak at North Cockerington.

Cases at school have risen rapidly and are significantly impacting Kingfisher and Owl classes.

Teachers will be setting Google Classroom learning for those isolating and we will aim to deliver Chromebooks to those in need tomorrow.

As we have approximately 25% of pupils off with COVID in the KS2 bubble, Public Health has advised that if your child is ill/not feeling 100% that you should keep them at home. They have stated that pupils at school with an upper respiratory illness, sniffles, sore throat or conjunctivitis could in fact have coronavirus. Many of the COVID cases in school have been suffering with those symptoms along with a headache, fever and nausea/vomiting.

Due to the increase in infection, if you have a child in KS2 you may want them to take a LFD test before sending them to school tomorrow. This will help prevent further infections.

As always, thank you for your support in helping to keep our school community safe, and if you have any queries, please let us know.

Kind regards

Becky Dhami
